COOPER'S  
ARK  
FARM

Established in 1999, Cooper's Ark is a 15+ acre diversified farm nestled in the Heart of The Schoharie Valley, bordering the Schoharie Creek.

We currently offer day old broilers, geese, Khaki Campbell Ducks, heritage turkeys and laying chicks. 17 week old vaccinated pullets, 12 lb Muscovy Ducks, started broilers and BB White Turkeys, available for pick up at certain times of the year. We carry custom feed here for pick-up and take orders for 8 hole rollout nest boxes. Everything is based on availability, so we encourage you to order early. Day old broilers are available here for pick up from April thru September, email or call to reserve and for specific dates. Large egg cartons (pulp) can be ordered for \$200 per 1,000.

*Whether you purchase one bird or a thousand, everyone gets treated the same.*
