It's not even April and we're sold out of many birds for the year

2025 Poultry Info, either mailed to Post Office or Picked Up **on delivery days**

Friends - The Post Office is raising the rates on packages this year, AND adding a \$15.00 surcharge on every box of poultry from every hatchery.

CORNISH CROSS/MEAT BIRDS

Birds sent to your Post Office are \$2.10 each with FREE Shipping. Minimum is 15 birds.

If you pick up in Schoharie on specific delivery dates, the price is \$1.40 each. That includes shipping, 6 bird minimum. Pick up here is a \$0.70 savings per bird, \$70 on 100 birds, \$350 on 500 birds, and so on. Order together as a group or Community and send a driver to pick up the birds. Besides the savings, you'll be getting birds that hatched that day.
