17 week old Pullets, Day Old Broilers, Laying Chicks and Guinea Prices

Many of us have been sitting on the end of our chairs, waiting to see how bad the new pricing for 2026 would be. I almost fell out of my chair when I saw how little the increase is!

We'll have well started BB White turkeys in September. They arrive at 7,9, and 11 weeks old on the same day. When finished for Thanksgiving, you can expect a small, medium and large bird. I won't have the pricing until July.

If the pricing is reasonable, we'll have large white Muscovy ducks again this year. Our drakes weighed 10 to 17 pounds last year!

We sell quality feed all year long, in 50 lb bags. Our 2 most popular feeds are Layer Pellets w/Marigold and less filler, and 22% Broiler mash with less filler as well.
